

Instructions to the Group Work on further challenges – not being allocated to 1, 2 or 3 (p2.6f)

Informal discussion:

Do we find headings to bundle the not yet allocated challenges?

On which bundle we want to concentrate?

If you have made your decision, try to answer the following questions:

- *What is specific with this bundle of challenges? Can we find concrete examples?*
- *Which solutions may be relevant? Do we already have examples of best practice?*
- *Which other questions do we want to discuss?*

Reporting our discussion:

- *What have been the most important results?*
- *How can we document these results on our flip chart?*

Poster exhibition

- *Present your results to the other groups*
- *Discuss them with the members of the other groups*
